About Me

I am Connaught Tennis Vice Captain, member of the Connaught Management Committee and an LTA Licensed Tennis Official. My LTA officiating duties involve working at all levels including tournaments for children and vulnerable persons with disabilities, club, county and regional events, and professional tournaments such as Eastbourne and Wimbledon. I strongly believe that all members have a shared responsibility to support the Club by promoting the welfare of all children, young people, and adults at risk. If you "see something, say something" and let's work together to ensure that the Connaught Club is a safe and enjoyable place to play.

YOU CAN ALSO REPORT CONCERNS DIRECTLY:
